SPEAKER CABLE with Good Sound Termination

GS#79n3BT

- ◎ It may be popular to use Speaker Cables without SP Terminals. But we proved that the Importance of the Cable End Finishing. This time, we used same parts with our High End Speaker Cable [G.S.#79n3 Ltd.] We, also, put Same Special Parts as Ltd. on Separating Part of Plus/Minus Cables. This Special Parts eliminate the Vibration of the Cables which may vibrate by the Speakers Sound, as much as Amplifier Vibration.
- ◎ As for the Cable, we used the approved on Sound Quality, G.S.#79nano3 Black, putting Special Made Black Woven Mesh, on the Seath.
- ◎ We recommend to try using this New Terminated Speaker Cable for your favorite systems, so you will notice the Importance of the Speaker Cables together with the Cable End Termination & Finishing.
